

BE A KIDZ CARE TRUST SANTA!

The one time of the year that brings stars to the eyes of almost all children is Christmas! Not only because of the special gifts Santa will bring, but also because it is a special time with family – enjoying the festive season with people who you love and who loves you.

It is so much different for the children we work with at Kidz Care Trust. Children living and working on the streets often only observe the festive season from a distance, usually a street corner. They seldom experience the true joy and blessing of Christmas.

This festive season you can assist Kidz Care Trust to help a child living and working in the streets. Kidz Care Trust delivers various services to the children, including early intervention, street outreach, providing a drop-in centre, accommodation at the Child & Youth Care Centre and assistance with preparation for independent living and reunification with their communities.

Your Christmas gift will create that sparkle that makes childhood a special time during the festive season and more importantly, your gift will make a difference in the life of a child. You can make “from the street, back onto your feet” a reality for the boys we are working with.

Give a gift that can bring about change in their lives by donating a Christmas gift into the Kidz Care Trust bank account:

Thank you for your willingness to assist and for making a difference in the life of a vulnerable child. Wishing you and your family a blessed festive season, filled with love and peace.

Regards
